Rec'd Oct 28th/75.

To the

Rt. Rev'd W. R. Whittingham D.D.

Chairman Com'n on Colored

Church Work &c. &c.

My Dear Bishop:—

I write this note

fearing I may not be able

to see you before the Meeting

of the House of Bishops this

Morning.— Our work in Colo

during the past year has been

sorely crippled owing to the

lack of funds to carry it

forward—in accordance with

the Resolutions of the House

of Bishops passed early in

November of 1874— If you will

Arrange for a meeting of the
Committee — Am allow me to
be present for a few moments
I think I may be able to
suggest a plan which may
insure the furtherance &
successful prosecution of
our work — I pray you to
grant this request if possible
& remain as ever

Faithfully Yr Son in Xt

P.S — Please give me an answer
through the Rev Reader of
the House of Bishops —
